

CONFERENCES AND MEETINGS BY LAKE SILJAN

Meetings with a view

Four meeting rooms, 137 bedrooms and a spa one hundred metres from the water. A hotel where the working day ends properly and the evening has somewhere to go.

Why it works here

We have welcomed travellers to Mora since 1830. Today we are a four-star hotel with 137 rooms, four meeting rooms, our own spa and restaurant, in the centre of town with Lake Siljan outside the window.

What separates us from a conference hotel deep in the forest is simple. Delegates arrive without a detour, they step out of the entrance into the middle of Mora, and when the day is over nobody has to get into a car to continue the evening. The Zorn Museum, the Vasaloppet finish line and the lakeside promenade are all within one hundred metres.

01 The location

Central Mora, one hundred metres from Lake Siljan. Morastrand station sits directly opposite, with fifty free parking spaces at the entrance and garage parking bookable separately. Dalhalla is forty minutes away.

02 The rooms

Four meeting rooms, from a boardroom for twelve to Siljansalen seating one hundred and twenty-five. Daylight, technology in place and one contact person in the building all day.

03 Spa and recovery

Pool, jacuzzi, steam room and dry sauna, plus treatments following Kerstin Florian rituals, and a gym in the same building. What usually needs booking as an activity is one door away.

04 Food and drink

Restaurant Terrassen serves local produce with a view over Siljan, and the bar keeps an English pub character. In summer we lay tables outside facing the water.

Four meeting rooms, a spa and 137 bedrooms under one roof, in the centre of Mora.

The spaces

All four rooms sit on the same floor next to the foyer, so groups move between session, coffee and lunch without leaving the level.

ROOM	SQM	THEATRE	CLASSROOM	U-SHAPE	BOARDROOM	BANQUET
Siljansalen	160	125	60	40	40	100
Klocksalen	40	30	18	16	16	24

Capacities are indicative and adjust with layout and technical requirements. Contact us for exact planning around your group.

Included in every room

- Projector and screen
- Free wifi throughout the hotel
- Daylight and blackout blinds
- Whiteboard and flipchart
- Iced water and fruit in the room
- A contact person all day

Larger events

Siljansalen holds one hundred and sixty standing and opens straight onto the foyer, which makes it suitable for receptions, exhibitions and award evenings. For larger programmes we combine rooms and place registration and exhibition space directly alongside the hall.

The day needs breaking up

A working session improves when something completely different interrupts it. We arrange activities with partners across the Siljan region and build them into the programme, so the timings hold and the group is back in time for dinner.

Kayaking on Lake Siljan

Out on the water by kayak or on a guided boat trip, the whole group together or in shifts.

Ice bathing and sauna

A hole cut in the ice, sauna afterwards and back to the spa. The winter programme people talk about most.

Go-karting

A simple scoreboard, a clear winner and something to argue about over dinner.

Team tasks in the forest

Straightforward team building with an instructor, a few minutes from the hotel.

Other activities we arrange

- Cross-country skiing from the do
- Golf at Mora Golf Club
- A guided snowmobile tour
- Guided hunting, in season
- Downhill skiing at Gesundaberget
- Boule and lawn games
- Long-distance skating on Siljan
- Guided tour of the Zorn Museum
- Fishing on Lake Siljan
- A day trip to Dalhalla

Activities inside the hotel

If you would rather keep the group together, we run a cooking challenge with the kitchen, a tasting in the bar, or private sauna and spa time for your party. No transfers and no weather contingency.
